NEW MEMBERS

Greg Seid's Scoop...

I've been metal detecting since 2004. Most has been beach hunting in the tidewater area. Would like to move into relic hunting at some point. I have two jobs, one with Cox Communications and the other with the Army Reserve. I am also a member of the Tidewater Appalachian Trail Club.

NEW BUSINESS

It was discussed to have a tack pin to award to members who return lost items to the rightful owners. The more good deeds you do the more pins you will collect!!

OLD BUSINESS

Gary Gray has been given the green light to order the patches. We are purchasing 100 3" patches at \$170.00 and will sell to existing club members for \$5.00 a patch. New members will be given one patch per family at the time they join.

The club only hunt will take place at the oceanfront (30th Street) on October 12, 2008 at 2 PM. The cost per member is \$15.00 and it was voted to use \$600.00 out of the Treasury for prizes. If you want, bring a token and a prize and give to Sherry at the hunt. She will have a kid's hunt for a \$5.00 entry fee. Also, anyone wishing to eat afterwards, we will be going to Chicho's pizza. Also, anyone wishing to go to the coin show in Richmond on Sunday, Sept. 14th, please contact Ina for travel info and times.

TABLE FINDS

Steve Warren has elected to sponsor a raffle for the table finds. In order to participate, you must enter your monthly finds and then be eligible for a raffle ticket for special prizes. Also, either have your items in a box or use a towel or newspaper to protect the tables. We will also be wiping them down at the end of the meeting.

LIBRARY REPORT

Josh Sherman has copied a list of all the books and DVD's in the club library. He will be forwarding the info to Mike Preziotti for the website. Who has the DVD and book - Battle at Cabin Creek by Steve Warren? It's not on the library list.

GUEST SPEAKERS

If a club member would like to be our guest speaker or if you know someone with vital information regarding metal detecting, please see Ina and she will schedule you. I am sure we have some talented people in the club who can share their ideas.
